Additional Fiscal Impact:

Recommendation: Information only

Background:

The attachments to the presentation of the Airport Advisory Board are the Calendar Year 2018 report which includes the first half of FY19 (July 1-Dec 31, 2018), and the Airport Advisory Board's Fiscal Year 2019 - 6 month report for the period of January 1, 2019 through June 30, 2019 - the 2nd half of FY19. Both reports are submitted to provide the Commission with a complete and comprehensive report for FY19, and to have all report information available on one agenda for future reference.

City of Alamogordo Airport Advisory Board **Annual Report to the City Commission – CY2018**

In accordance with Ordinance No. 1014 requiring all Boards, Commissions and Committees submit a written Annual Report to the City Commission, the following report is submitted by the Airport Advisory Board for the calendar year of 2018.

The Airport Advisory Board is a 5 member board with each member serving a 2-year term. Currently, all board member positions are filled. There were no vacancies of board member positions for the calendar year. Regular meetings are scheduled on a quarterly basis, the first Thursday of the month at the Alamogordo-White Sands Regional Airport. The 4th quarter meeting was rescheduled and held on September 20, 2018 instead of the scheduled October 3, 2018. Proper public notice of the meeting change was posted as required. Additionally, three special meetings were scheduled in 2018.

The AAB membership and leadership positions remained the same all year and quorums were obtained for meetings held - four regular meetings and two special meetings. One special meeting scheduled for January 17, 2018 did not meet the quorum requirement, and therefore, was not held. In addition, all AAB members, in groups of 2 or less, were actively involved with a wide assortment of additional airport events, briefings, and meetings.

2018 AAB activities and events:

Report of activities and events is submitted by Lance Grace, Airport Advisory Board Chairman. Mr. Grace and other AAB members may be contacted to answer questions on this information if needed.

The following is a list of significant events that occurred at the Alamogordo-White Sands Regional Airport during the 2018 calendar year. Overall, the air traffic activity appears to be growing in most every category except for annual P-2 training conducted by Neptune Aviation. That is a situation out of their control due to the federal government's unplanned 50% cut in contracted airtanker positions for 2019 from 28 to 14 along with the retirement of the legacy P-2 airtankers. Army helicopter operations may be about to grow very significantly after a delay of almost 5 years due to a very long, drawn-out environmental evaluation.

- Held the Aerospace Expo in September, 2850 students, 4000 total attendance
- Runway Safety Area under construction - a 10-foot asphalt shoulder
- Neptune operations severely diminished due to only half of contracts being issued
 - 5 Neptune P-2s flown to museums
 - 2 Neptune P-2s remain in hangar for airshow circuit
 - 1 Neptune P-2 donated to city for static display
- Increasing Army helicopter traffic for HAMITs training
- BAE-146, RJ-45 & C-130H next generation airtanker operations on several occasions for many flights
- Investigation by Armstrong of what is needed to achieve 139 Certification for airport as preparation for possible Regional Jet service
- OCDEC contract with Boyd International for consultation related to Regional Jet service
 - Analysis of customer level within airport catchment area

- Arranged meeting with American Airlines in January 2019
- Arranged visit by USAF Academy parachute team for week of training in December. The Air Force Academy Cadets met with local high school students and their parents to promote attendance to the Academy and answer questions pertaining to entrance requirements. Seventeen students and parents attended the meeting.
- Continued use by UPS/FedEx, transportation of patients by helicopter and fixed wing aircraft & contracted aircraft for support of military test and training missions for WSMR and HMN
- Armstrong is finishing the Airport Action Plan that was left undone by our previous contractor.
- Increased use by private jet aircraft as a refueling stop due to longer runway providing jets the ability to takeoff with a larger fuel load
- All hangars near capacity with privately owned general aviation (GA) aircraft
- WSSA increased fleet from 5 to 6 gliders
- Ed's Flying Service conducted over 200 hours of flight training, installed thirty-three ADSB units in a variety of aircraft, added a local flight aware tracker in their office, provide maintenance for 6 Civil Air Patrol (CAP) aircraft and made several engine changes
- Angie Pavelka was awarded the William B. Cutter award for lifetime achievement
- Plans for a Glider Staging Area moving forward
- Obtained F-4E aircraft from HAFB for static display in the City of Alamogordo
- Moved another F-4E from HAFB to the airport parking lot for a temporary static display
- The Experimental Aircraft Association held 3 Young Eagle events
- Airport manager represented the Airport, City & State at the largest air show in the country
- Accident free year
- Planning for a Table Top Emergency exercise is underway
- Provided support for Holloman Airshow in May
- Tribute to Neptune/Black Hills aviation P2 history in wildfire suppression
- Filled & sealed significantly more surface cracks than anticipated
- Provided base of operations for the Tucano and AT-6 aircraft during test program (possible future light attack aircraft to supplement the A-10)
- Army Medical Evacuation Team with three Blackhawk helicopters spent 10 days operating out of the airport terminal providing medical evacuation support for Army exercises.

Focus for 2019

The most important focus for the upcoming year is the possibility of bringing commercial airline service to the Alamogordo area. The probability of this occurring or not will become better known in the last part of January. If it proceeds on, there will be much work that will need to be accomplished by many organizations and individuals throughout the coming year.

ITEMS REMOVED FROM CONSENT AGENDA

5. Consider, and act upon, final publication of Ordinance 1594 for implementing 1/8th of the Hold Harmless Tax. (*Stephanie Hernandez, Finance Director*) (Roll Call Vote Required)

Commissioner Rardin said he pulled this item so that he could vote no.

Mayor Pro-Tem Baldwin moved to approve.

Commissioner Payne seconded the motion.

Roll call vote was taken.

Motion carried with a vote of 5-2-0. Commissioner Rardin and Commissioner Hernandez voted nay.

6. Consider, and act upon, approval of an MOU to the FY2017-FY2020 contract with the Alamogordo Public Safety Officers Association (APSOA). (*Katie Josselyn, Human Resources Director*) (Roll Call Vote Required)

Human Resources (HR) Director Josselyn said this Memorandum of Understanding (MOU) is for the Police and Fire Union. She said the City is extending an increase, which was approved by the Commission, for all City staff in the FY 20 budget.

Commissioner Hernandez asked HR Director Josselyn if this came to negotiations with the Union, she said no it did not. He said the reason he pulled this off is because some wives of Police Officers came to the Commission to say that they are not taking care of their Officers. He said here they are giving them a dollar without them asking for it. He asked, if possible, that City staff send this group of wives a letter and let them know how this works, as far as, raises and monetary amounts go. He said it is a requirement, the Commission cannot just say here is \$0.50, \$1.00 or \$2.00. It has to be negotiated;

this was approved by the Commission outside of their Union. He said the Commission was chastised a couple of meetings ago for this and their Union did not come to the table.

Commissioner Hernandez moved to approve.

Commissioner Rardin seconded the motion.

Roll call vote was taken.

Motion carried with a vote of 7-0-0.

Mayor Pro-Tem Baldwin said the City negotiated a four-year contract with APSOA and AFSCME. He asked HR Director Josselyn if for the fifth year they could open it back up for negotiations. She said they went into a four-year contract with both in 2016, and both those contracts expire in June of 2020. She said both contracts included the opportunity for an economic re-opener in April of 2019. Mayor Pro-Tem Baldwin said so this is kind of that re-opener. She confirmed yes. He then asked her if there is a reason the Commission wasn't contacted by the Union for this. She said they were contacted by AFSCME in which they went through the process with them. She said they had not heard from APSOA, so she extended the information to them, through email, and told them the City was wanting to offer the same thing to them as they were offering to all the other employees. She said that facilitated this MOU that was brought forward today.

Commissioner Payne said she agreed with Commissioner Hernandez. She said on that point about that person coming forward, certainly our meetings are open and everybody have the right, as citizens, to voice their opinions and she has the right to disagree with them and she did disagree with his statements that day. She appreciates Commissioner Hernandez's comments.

Commissioner Hernandez said he completely supports all the Departments, but there is a process they have to follow. He said it was the second time that this has happened where they had the wives address the Commission, when they have a Union.

PUBLIC HREAINGS

9. Consider, and act upon, Application No. 1125631 a Small Brewer 2nd Off-Site Location Liquor License at 902 New York Ave., Alamogordo, NM 88310 to Picacho Peak Brewing Co. (Rachel Hughs, City Clerk)

Commissioner Rardin moved to approve.

Commissioner Hernandez seconded the motion.

Motion carried with a vote of 7-0-0.

Commissioner Sikes asked Mr. Mendoza when they will be open. He explained the process and said they would like to be opened in about 30 to 45 days.

NEW BUSINESS

10. Consider, and act upon, Resolution 2019-29 authorizing the City Attorney to foreclose on Municipal liens. (Brian Cesar, Interim City Manager) (Roll Call Vote Required)

Mayor Pro-Tem Baldwin said they usually get a list of the foreclosed liens. Interim City Manager said what they are looking at doing is sending out notification to every active lien they have on the books. He said there is approximately 450 outstanding liens. He said a lot of them are for water/sewer bills or weed abatements. He said they have about \$250,000 of outstanding liens. Mayor Pro-Tem Baldwin asked if they could see the list. Interim City Manager Cesar said he could send that out to the Commission in the morning. Mayor Pro-Tem Baldwin said it is always interesting to see who is on there and there have been times that they have pointed out they know some of the property owners. He said sometimes they have the ability to talk to them privately. He said sometimes it helps. Interim City Manager Cesar said in this process, they are not going straight to the Court and filing foreclosure paperwork. He said notices will be sent out to everyone on the list and giving them a timeframe to

dispute the lien or come in and speak to staff. He said once that timeframe has past then they will file the paperwork with the Courts.

Commissioner Hernandez said he was in a situation where he had to call Interim City Manager Cesar. He said he had a neighbor move out of a rental house and she left her dogs there. He said the dogs became squatters in the house. The house was previously refurbished prior to them moving in and the dogs completely destroyed the house. He said part of the process is that it has to come before the Commission and then back and forth situations. He said he does have a concern, but he thinks they can manage it and if they need to bring it back and change it, they can. He said he thinks will speed up the process a little bit. He said he does not want to see the Commission go and foreclose on a property for \$250 for a first offender versus somebody that continues or properties that are a disgrace to the neighborhoods. He stated he completely supports this. He said the only problem he sees is that they could potentially end up with several properties.

Commissioner Rardin asked Interim City Manager Cesar if they will bring back the ones that staff has to start the foreclosure process on. Interim City Manager answered, if they pass this tonight, they will be authorizing the Legal department to go ahead and do it. He said if someone is disputing the lien and staff cannot resolve that with them, the citizen has every right to come before the Commission to plead their case. Commissioner Rardin said he thinks if staff gets to the point where they may have to start the foreclosure process on, if they could email the Commission to let them know. Interim City Manager Cesar said yes. He said he could ask the Legal department to send that listing out on a quarterly or monthly basis.

Mayor Boss said \$250,000 seems like a bunch of money for Alamogordo. Interim City Manager Cesar said this is years' worth of liens. Commissioner Sikes said she would like to see the dates on those liens.

**Mayor Pro-Tem Baldwin moved to approve.
Commissioner Wright seconded the motion.
Roll call vote was taken.
Motion carried with a vote of 7-0-0.**

11. Appointments to Boards and Committees. (Richard Boss, Mayor)

PROFESSIONAL SERVICES CONTRACT

THIS CONTRACT is entered into on the first day of July 01, 2019, by and between the CITY OF ALAMOGORDO, a New Mexico municipal corporation (City), and the ALAMOGORDO PUBLIC SCHOOL DISTRICT (District), through the ALAMOGORDO SCHOOLS' BOARD OF EDUCATION.

WHEREAS, THE City and District desire to enter into an agreement for the purpose of providing safety and security at the secondary schools and other law enforcement related functions and school activities.

IT IS THEREFORE AGREED BY THE PARTIES:

1. The City shall provide three (3) full-time certified, experienced, uniformed Police Department Officers to be stationed at the secondary schools during the upcoming 2018 - 2019 school year. These officers are assigned and shall be supervised by the Community Relations Supervisor of the Alamogordo Police Department. These officers are herein referred to as School Resource Officers (SRO).
2. During the time period that the regular school year is not ongoing, these officers will perform other law enforcement related duties.
3. The District may still request additional uniformed services from the City when the need arises. The request for these events needs to originate from the APS Superintendent, APS Chief of Staff, APS Athletic Director, APS Safety Assistant, or other Superintendent designee. These additional requests are for special activities and functions, including but not limited to the following:
 - A. Sporting Events
 - B. Graduation
4. These uniformed SROs are law enforcement personnel who will provide safety, security and other law enforcement related duties during the school year. The SROs intent is not to be policy enforcement officers for the District. It is intended to provide a positive atmosphere in the spirit of the community-policing concept. This agreement does not limit the District, at any time, from hiring other personnel for the purpose of security.

5. The District will provide office space at all secondary schools for the sole use of the assigned SRO's. Said office space shall contain adequate amenities to include heating, cooling, dedicated telephone(s) and access to District server for purpose of access to Alamogordo Police Department reporting and/or e-mail systems.
6. The compensation of these SRO positions is to be paid mutually and reflects approximately 50% of the total costs for the City of Alamogordo and the Alamogordo Public School District. The City shall, prior to July 1, 2019, determine the three officers' annual salaries, benefits and any other agreed upon costs; i.e., overtime. In the event a workman's compensation claim is made, the workman's compensation will be solely the responsibility of the City of Alamogordo.

For this contract period, the District will reimburse the City in the amount of \$ 113,046.42. The costs will initially be paid by the City, and reimbursement shall be in quarterly installments from the District on September 1, 2019; December 1, 2019; March 1, 2020 and June 1, 2020.

7. Should the need arise for specialized training, special days off, or leave during the school year, the SRO will be responsible for notifying their respective school administration and the Community Relations Unit Supervisor. During these absences, a substitute SRO may be provided, if staffing levels allow. When a substitute SRO is not provided the school shall contact APD for assistance.
8. The Alamogordo Police Department shall provide a monthly SRO activity report by school site where SROs are assigned. The report is a statistical report obtained from crimes reported, arrests, juvenile referrals, accidents, traffic and non traffic citations issued, school requested overtime assignments and any other information the Department would deem worthy of reporting. The report will not include information not to be released under current legal guidelines. The report will be submitted to the APS Chief of Staff no later than the 15th of each month.
9. The School shall provide SRO's access to the District video surveillance system as permitted by law. Currently, District shall allow officers to view law enforcement related incidents on the system and obtain copies of those incidents for investigational purposes by a duly authorized subpoena or court order.
10. The terms of this Contract, and any subsequent renewal thereof, are contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico and the New Mexico Department of Education for the performance of this Contract. If sufficient appropriations and authorizations are not made by the Legislature, this Contract shall terminate, without any penalty or damages whatsoever against the District, upon written notice being given by the District to Contractor. The District's decision as to whether sufficient appropriations and authorizations are available shall be accepted by Contractor and shall be final.

11. If any term or condition of this Contract shall be held invalid or unenforceable, the remainder of this Contract shall not be affected and shall be valid and enforceable. Should any part of this Contract be rendered or declared invalid by a court of competent jurisdiction, such invalidation of such part or portion of this Contract should not invalidate the remaining portions thereof, and they shall remain in full force and effect.
12. The District and the City are the only parties to this Contract. Nothing in this Contract provides any benefit or right, directly or indirectly, to third parties. The Parties shall cooperate fully in opposing any attempt by any third person or entity to claim any benefit, protection, release, or other consideration under this Contract.
13. As between the parties, each party will be solely responsible for liability arising from personal injury, including death, or damage to property arising from the act or failure to action of the respective party or of its officials, agents and employees pursuant to this Agreement. Any and all claims by third parties resulting from this Agreement are subject to the immunities and limitations of the New Mexico Tort Claims Act, Section 41-4-1 et seq., NMSA 1978, as amended.
14. Within 60 days after the effective date of this agreement, the school administration or representative and the Community Relations Supervisor shall meet to outline work duties of the SROs of the 2019-2020 school year.
15. This Agreement for Services shall become effective on July 1, 2019 and continue through June 30, 2020.
